**Working with Ansys**

At home you can use Remote applications of SFedU to work with ANSYS:
https://rdf01.sfedu.ru/RDWeb/Pages/en-US/login.aspx or from your sfedu email box in
Outlook:

Sign in with sfedu email and password.

Install software

You can install software from official websites:
Ansys Student: https://www.ansys.com/academic/students/ansys-student
FlexPDE: https://www.pdesolutions.com/software-downloads/
