

## **Course assessment plan**

«Applied machine learning and neural networks»

<b>№</b>	<b>Assignment</b>	<b>Weight</b>
	<b>Section 1. Machine learning algorithms. Python programming language and Pandas and Scikit learn libraries</b>	
1.	Laboratory work	42
	<b>Section 2. Training neural network models</b>	
2.	Laboratory work	18
	Bonus points	10
	Exam	40
